Curriculum Vitae

Jahirul Kader

Mobile : 01700 676 634
Email : jkr0488@gmail.com

Career Objective:

A dedicated and experienced educator and researcher, seeking to contribute to academic excellence and student success through innovative teaching methods, curriculum development, and collaborative research in computer science and engineering. Aspiring to leverage my expertise in embedded systems, cloud computing, and network infrastructure design, implementation, management and security to advance academic programs and mentor the next generation of technology professionals.

Personal Information:

Name	:	Jahirul Kader
Present Address	:	Charail HajiBari, PS: Karaniganj Model, PO: Keraniganj-1310, Dhaka.
Permanent Address	:	Dackpara, PS: Karaniganj Model, PO: Keraniganj-1310, Dhaka.
Date of Birth	:	24-October-1983
Nationality	:	Bangladeshi by birth
Blood Group	:	O+
National ID No	:	2360331611

Educational Qualifications:

Degree	Division/ CGPA	Year	Duration	Institute
M.Sc. in Computer Science	3.38/4.00	2015	1 year	Jahangirnagar University, Savar, Dhaka.
B.Sc. in Computer Science and Engineering	3.88/4.00	2010	4 years	The People's University of Bangladesh
Diploma in Engineering (Computer)	3.52/4.00	2006	4 years	Islami Bank Institute of Technology
S.S.C. (Science)	First 702/1100	1998	2 years	Armanitola Govt. High School

Professional Experience:

Chief Instructor (Computer) — Institute of Science and Technology (IST)

Location: Dhanmondi, Dhaka | April 2021 – Present

- Leading the Diploma in Engineering Program under Bangladesh Technical Education Board (BTEB).
- Conducted workshops on Microcontroller Based Systems, ISP setup with Enterprise Linux, Network Design, Implementation, Security and Management using simulator program.

Instructor — Institute of Science and Technology (IST)

Location: Dhanmondi, Dhaka | October 2013 – March 2021

- Delivered courses in Computer Science and Engineering, including microcontroller programming and automation, Network design, implementation and management with ISP setup.
- Assisted in developing lab programs and technical guidelines for diploma students.

Research Interests:

1. Microcontroller-based Automation Systems Design and Development.
2. Embedded System engineering for lift control system design and development.
3. Cloud, Distributed and Parallel Computing.
4. Network Management and Security, Management Information Base (MIB)
5. Wireless Communication Systems Design and Development, High speed computer network Design and Development.

Published Research Papers:

1. Design and Development of a System Danger Path Alert Message for a Vehicle Using Android and Web Service — IST Journal on Business & Technology, Vol. 9 No. 1, June 2019. ISSN: 2070-4135
2. A Prototype of Secure Access Control Framework for Mobile-Based Cloud Computing — IST Journal on Business & Technology, Vol. 8 No. 1, June 2017. ISSN: 2070-4135

Professional Trainings & Certifications:

1. Course Title : Administrator Networking and ISP Setup with Red Hat Linux
   Institute : Blooming Bud Information Technology (BBIT)
   Location : Elephant Road, Dhaka
   Duration : 03 January-02 April 2011

2. Course Title : Cisco Certified Network Associate (CCNA)
   Institute : American International University of Bangladesh (AIUB)
   Location : Banani, Dhaka
   Duration : 05 May- 03 July 2012

3. Course Title : Subjective training on Programmable Logic Controller (PLC)
   Institute : Bangladesh Industrial Technical Assistance Center (BITAC)
   Location : 116 (Kha), Tejgaon Industrial Area, Dhaka1208.
   Duration : 27 November- 03 December 2016.

4. Course Title : Web Design & Development for freelancing (Level-3)
   Institute : National Skill Development Authority (NSDA)

5. Course Title: : Computer Operation (level-3)

Institute : National Skill Development Authority (NSDA)

Skills:

Programming Languages:

C, C++, Java, Python, C#, Kotlin, JavaScript, PHP, HTML, CSS

Database Management:

MySQL, MS SQL, SQL+

Networking:

Server administration and ISP setup with Red Hat Linux Enterprise (5.0 & 6.0)
Server administration with Windows Server (2003, 2013)
Networking infrastructure design and management

Operating Systems:

Windows (11/10/8/7, XP, Server 2003/2008)
Red Hat Linux Enterprise (5.0, 6.0), Ubuntu, Linux Mint

Digital Marketing:

Social media marketing, Search Engine Marketing.
